It starts in by cleaning out your tank, pipe line, vacuum tank and carburetor. Then it removes the carbon from your valve seats and motor.

The saving in gas follows naturally.

MR. PACKARD OWNER:

FAM-O is economical of course, in gas-saving. It's particularly economical however, in keeping your twin-six motor in condition. A Packard Owner tells us it saves him money on repair and overhauling bills. (Name on request.)

# IT IS NOT POLITICS--IT IS GOOD BUSINESS

VOTE an endorsement of an administration that has stood for and secured a clean, decent city; insisted upon and obtained an honest, efficient and economical management of public affairs.

# VOTERS:

Do you want a change BECAUSE:

Illicit liquor selling has been stopped;

BECAUSE-Franklin Square is now a safe place for persons and vehicles;

BECAUSE—The wholesale denuding of lumber from our water sheds was stopped by a Court order;

BECAUSE—An intelligent, comprehensive plan for highway improvment has been commenced:

BECAUSE-The Police Pension Fund has been made with the co-operation of the police officers more nearly self-sustaining;

BECAUSE-You know now about the municipal lighting plant;

BECAUSE-Respect for law, order and decency has
